pic – ch 3, slst in first ch.

### **Good to know**

- At the end of each round, total number of stitches can be found between (-).
- I begin the rounds with standing stitches. You can replace them with chain stitches instead. Ch 1 = 1 sc, ch 2 = 1 hdc and so on.
- Instructions between \*-\* is repeated around, if nothing else is told.
- Instructions between (-) in a round, is made in the same st/chsp.
- The mandala might be a bit bubbly at the end, but it will be ok once blocked.
