Cut the yarn. On the pictures below the first part, of three, for the hanger is done.

### Part 2 and 3 for the hanger

Make sure you have the right side facing you. Begin in the first free chsp on row 11 (see picture below), repeat rows 12-19 two more times. Now you will have all three parts for the hanger. Secure all ends.

Time to crochet all three parts together to make one hanger. Start with a loop on the hook, 1 sc in top of one "hanger-part", 1 sc in next hanger and 1 sc in the last hanger. End with a slst in the first st. Do NOT cut the yarn.

Ch 50, slst in 15th ch from the hook. Continue with one sc in each ch back to the 3 sc. End with a slst between two sc. Cut the yarn and secure the ends. To finish my planthanger, I made a tassel and attached in the center underneath.

I hope you enjoy your new Granny planthanger!
