

# PRASA THE PIGLET AMIGURUMI

DESIGNED BY ADORABLE TINIES

## Prasa the Piglet Amigurumi

Prasa the piglet is the second amigurumi pattern of my crochet farm animal series. I decided to make a piggy because I wanted to do something with my pink yarn. I like the color pink and if I can use it to make a stuffed animal, much better. I also like watching cartoons before where piggies were wearing sailor uniforms. They all look so cute in it so I made my own version of a wanna-be-sailor piglet amigurumi.

**Difficulty Level:** Advanced Beginner

**Finished size:** approximately 6 inches if you will use same yarn and hook

**Gauge:** 1 inch = 10 stitches and 11 rows

## Materials Needed

- 1.75mm Hook
- Light Fingering Weight Yarn (YarnArt Cotton Soft)
  - color: pink, blue, white
  - \*Yarn can be substituted with fine weight yarns (YarnArt Jeans or Catonia Originals) but use a 2mm Hook. Of course, you can also use bigger weight yarns like YarnArt Jeans Plus to make it fluffier
- Yarn Needle
- Stitch Marker (advisable)
- Polyester Fiberfill Stuffing
- 8mm Safety Eyes (if you're using a different yarn, then it will depend on the size of your doll)

## Pattern Notes

- The pattern is using US terminology.
- Stuff as firmly as you can unless otherwise specified. Stuffing is the key to make or break your doll. If the body is too big for the head, then the head needs more stuffing. If the head is too big, then more stuffing is needed for the body.
- Work in continuous rounds unless otherwise specified.
- Work in both loops unless otherwise specified.
- You can use any yarn as long as you will use the appropriate hook size (smaller size than the recommended one) but the size of your doll will be different.
