LITTLE MISS CASHEW

Little Miss Cashew measures about 12 cm top to bottom

I have a new niece! Her parents (our cousin) coined her nickname as she grew in dear mum's belly: Little Miss Cashew. As her shape was similar to this delicious nut, which also happens to be my son (and my) favourite nut to eat. At the request for a cute cashew doll for their precious second daughter, I made this for little Brielle. Welcome to the world, we love you!
