Assembly:

1. Sew the body to the head. The defined belly (with decreases) goes in the front. Add extra stuffing before closing.

2. Sew the feet to the bottom of the body between rounds 3 & 6. The heel goes a little below the magic ring. I sew around the back edge of the foot (approx..3 rounds on either side).

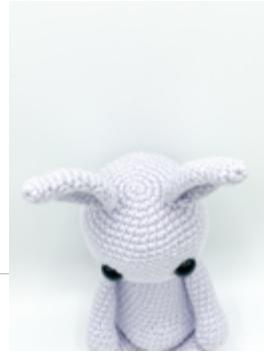

3. Sew the arms starting between rounds 24 & 25 on a slight angle. The decreases face the inside of the body.
